27th April 2020

Dear Parents and Children

I hope you and your families are well and have been able to enjoy the lovely weather we've been experiencing over the last few days. Lockdown is difficult for us all, but it could be far worse if it was raining – I'm trying to be positive!

I have heard from the teachers that the children have been working hard and they've been delighted when the children have shared work and photographs with them. I am really looking forward to some of this work being showcased around school when we reopen.

We now begin the fourth week of home learning and I must say a lot of learning has taken place, not just for pupils (and parents) but also for the teachers as they learn how to use Google Classroom. Letters have been/will be emailed to you explaining how to log onto this system, but if you have any difficulties, please contact us by emailing admin@urchfont.wilts.sch.uk. We hope that the Google Classroom will allow greater interaction between teacher and the children over the coming weeks. We appreciate that the amount of work might seem daunting for some, but not enough for others. As you can appreciate everyone has different expectations and time. Therefore, we are asking that you do what you can and what you feel is appropriate for your child/ren and circumstances.

Please be assured that although the staff are not currently physically in school, they are all working very hard on ensuring that the business of school continues.

As I previously said, please contact us if you have any concerns and queries and we will try to help and support you at this very difficult and unprecedented time.

With warmest regards and please keep safe!

C.E. Talbot
