

Urchfont C. E. Primary School

Jigsaw PSHE (Personal, Social, Health Education) Policy

1. Introduction

- 1.1 All schools must provide a curriculum that is broadly based, balanced and meets the needs of all pupils. Under section 78 of the Education Act 2002 and the Academies Act 2010, a PSHE curriculum:
- Promotes the spiritual, moral, cultural, mental and physical development of at the school and of society, and
 - Prepares pupils at the school for the opportunities, responsibilities and experiences of later life.
- 1.2 The Government's PSHE education review of PSHE Education (March 2013) stated that the subject would remain non-statutory and that no new programmes of study would be published.
- 1.3 However, the Right Honourable Justine Greening, Secretary of State for Education, announced, on March 1st 2017, that it was her intention to make Relationships Education statutory in Primary schools from September 2020 and that content guidance would be published prior to that.
- 1.4 The Children and Social Work Act 2017 placed a duty on the Secretary of State for Education to make the new subjects of Relationships Education at primary and Relationships and Sex Education (RSE) at secondary compulsory through regulations. The Act also provided a power for the Secretary of State to make Personal, Social, Health and Economic Education (PSHE), or elements of the subject, mandatory in all schools. The department engaged with a wide range of interested organisations and conducted a call for evidence on the content of the subjects, and the status of PSHE.
- 1.5 The findings gathered from the process have informed the drafting of the regulations, statutory guidance and regulatory impact assessment.
- 1.6 The DfE specified as part of its National Curriculum guidance that 'All schools should make provision for personal, social, health and economic education (PSHE), drawing on good practice'. 1.7 The review also detailed:
- "PSHE remains an important and necessary part of all pupils' education. We believe that all schools should teach PSHE, drawing on good practice, and have outlined this expectation in the introduction to the new National Curriculum"

(Written Ministerial Statement: Review of Personal, Social, Health and Economic education, March 2013).

- 1.8 This Jigsaw PSHE policy is informed by existing DfE guidance on Sex and Relationships Education and will be updated in line with government guidance when published.

(Sex and Relationship Education Guidance, July 2000), preventing and tackling bullying (Preventing and tackling bullying: Advice for head teachers, staff and governing bodies, July 2013, updated 2017), Drug and Alcohol Education (DfE and ACPO drug advice for schools: Advice for local authorities, headteachers, school staff and governing bodies, September 2012), safeguarding (Working Together to Safeguard Children: A guide to inter-agency working to safeguard and promote the welfare of children, March 2013 and Keeping Children Safe in Education, 2018) and equality (Equality Act 2010: Advice for school leaders, school staff, governing bodies and local authorities, revised June 2014).

2. Aim of the Jigsaw PSHE policy

- 2.1 To provide pupils with the knowledge, understanding, attitudes, values and skills they need in order to reach their potential as individuals and within the community.
- 2.2 Pupils are encouraged to take part in a wide range of activities and experiences across and beyond the curriculum, contributing fully to the life of their school and communities. In doing so they learn to recognise their own worth, work well with others and become increasingly responsible for their own learning. They reflect on their experiences and understand how they are developing personally and socially, tackling many of the spiritual, moral, social and cultural issues that are part of growing up.
- 2.3 They learn to understand and respect our common humanity; diversity and differences so that they can go on to form the effective, fulfilling relationships that are an essential part of life and learning.
- 2.4 In our school we choose to deliver Personal, Social, Health Education using Jigsaw, the mindful approach to PSHE.
- 2.5 Urchfont CE Primary School are confident that the Jigsaw Programme covers all aspects of Relationships and Sex Education and Health Education in an age-appropriate way; if there are any gaps, Jigsaw will provide its schools with materials to ensure all statutory duties are fulfilled.

3. Objectives/Pupil learning intentions:

- 3.1 Jigsaw PSHE will support the development of the skills, attitudes, values and behaviour, which enable pupils to:
- Have a sense of purpose
 - Value self and others
 - Form relationships
 - Make and act on informed decisions
 - Communicate effectively
 - Work with others
 - Respond to challenge
 - Be an active partner in their own learning

- Be active citizens within the local community
- Explore issues related to living in a democratic society
- Become healthy and fulfilled individuals

4. Jigsaw Content

4.1 Jigsaw covers all areas of PSHE for the primary phase, as the table below shows

Term	Puzzle name	Content
Autumn 1:	Being Me in My World	Includes understanding my place in the class, school and global community as well as devising Learning Charters
Autumn 2:	Celebrating Difference	Includes anti-bullying (cyber and homophobic bullying included) and diversity work
Spring 1:	Dreams and Goals	Includes goal-setting, aspirations, working together to design and organise fund-raising events
Spring 2:	Healthy Me	Includes drugs and alcohol education, self-esteem and confidence as well as healthy lifestyle choices
Summer 1:	Relationships	Includes understanding friendship, family and other relationships, conflict resolution and communication skills
Summer 2:	Changing Me	Includes Sex and Relationship Education in the context of looking at change

5. Relationship & Sex Education (RSE)

5.1 Details about the school's approach to the planning and delivery of RSE can be found in the separate RSE policy and is linked to the PSHE (Jigsaw) policy.

6. Drug and Alcohol Education

6.1 Definition of 'Drugs':

This policy uses the definition that a drug is: 'A substance people take to change the way they feel, think or behave' (United Nations Office on Drugs and Crime). The term 'Drugs' includes

- All illegal drugs
- All legal drugs including alcohol, tobacco and volatile substances which can be inhaled
- All over-the-counter and prescription medicines

6.2 Effective Drug and Alcohol Education can make a significant contribution to the development of personal skills needed by pupils as they grow up. It also enables young people to make responsible and informed decisions about their health and well-being.

7. Moral and Values Framework

7.1 The Drug and Alcohol Education programme at our school reflects the school ethos and demonstrates and encourages the following values. For example:

- Respect for self
- Respect for others
- Responsibility for their own actions
- Responsibility for their family, friends, schools and wider community

8. Jigsaw Drug and Alcohol Education Content

8.1 The grid below shows specific Drug and Alcohol Education learning intentions. For each year group in the 'Healthy Me' Puzzle.

Year Group	Piece Number and Name	Learning Intentions 'Pupils will be able to...'
2	Piece 3 Medicine Safety	understand how medicines work in my body and how important it is to use them safely
		feel positive about caring for my body and keeping it healthy
3	Piece 3 What Do I Know About Drugs?	tell you my knowledge and attitude towards drugs identify how I feel towards drugs
	4	Piece 3 Smoking
		can relate to feelings of shame and guilt and know how to act assertively to resist pressure from myself and others
5	Piece 4 Alcohol	understand the facts about alcohol and its effects on health, particularly the liver, and also some of the reasons some people drink alcohol
		can relate to feelings of shame and guilt and know how to act assertively to resist pressure from myself and others
	Piece 1 Smoking	know the health risks of smoking and can tell you how tobacco affects the lungs, liver and heart
		make an informed decision about whether or not I choose to smoke and know how to resist pressure
6	Piece 2 Alcohol	know some of the risks with misusing alcohol, including anti-social behaviour, and how it affects the liver and heart
		make an informed decision about whether or not I choose to drink alcohol and know how to resist pressure
	Piece 2 Drugs	know about different types of drugs and their uses and their effects on the body particularly the liver and heart
		be motivated to find ways to be happy and cope with life's situations without using drugs
	Piece 3 Alcohol	evaluate when alcohol is being used responsibly, anti-socially or being misused tell you how I feel about using alcohol when I am older and my reasons for this

9. How is Jigsaw PSHE organised in school?

- 9.1 Jigsaw brings together PSHE Education, emotional literacy, social skills and spiritual development in a comprehensive scheme of learning. Teaching strategies are varied and are mindful of preferred learning styles and the need for differentiation. Jigsaw is designed as a whole school approach; all year groups can work on the same theme (Puzzle) at the same time if we choose or a class can work on a theme individually.
- 9.2 There are six Puzzles in Jigsaw that are designed to progress in sequence from September to July. Each Puzzle has six Pieces (lessons) which work towards an 'end product', for example, The School Learning Charter or The Garden of Dreams and Goals.
- 9.3 Each Piece has two Learning Intentions: one is based on specific PSHE learning (covering the nonstatutory national framework for PSHE Education but enhanced to address children's needs today); and one is based on emotional literacy and social skills development to enhance children's emotional and mental health. The enhancements mean that Jigsaw, the mindful approach to PSHE, is relevant to children living in today's world as it helps them understand and be equipped to cope with issues like body image, cyber and homophobic bullying, and internet safety.
- 9.4 Every Piece (lesson) contributes to at least one of these aspects of children's development.
This is mapped on each Piece and balanced across each year group.

10. Differentiation/SEN

- 10.1 Jigsaw is written as a universal core curriculum provision for all children. Inclusivity is part its philosophy. Teachers will need, as always, to tailor each Piece to meet the needs of the children in their classes. To support this differentiation, many Jigsaw Pieces suggest creative learning activities that allow children to choose the media with which they work and give them scope to work to their full potential. To further help teachers differentiate for children in their classes with special educational needs, each Puzzle includes a P-level grid with suggested activities for children working at each of those levels.

11. Safeguarding

- 11.1 Teachers need to be aware that sometimes disclosures may be made during these sessions; in which case, safeguarding procedures must be followed immediately. Sometimes it is clear that certain children may need time to talk one-to-one after the circle closes. It is important to allow the time and appropriate staffing for this to happen. If disclosures occur, the school's child protection and safeguarding policy should be followed.

12. Assessment

- 12.1 Teachers will ensure children are making progress with their learning throughout their Jigsaw experience. Therefore, each Puzzle (except Puzzle 1) has a built-in assessment task, usually in Piece 5 or 6. This task is the formal opportunity for teacher assessment, but also offers children the chance to assess their own learning and have a conversation with the teacher about their two opinions. The task can usually be used as evidence in the Jigsaw Journal.

- 12.2 Each Puzzle has a set of three level descriptors for each year group:
Working towards/ Working at/ Working beyond
- 12.3 It is envisaged that, at the beginning of a Puzzle, it is discussed with the children what they are aiming to achieve. At the end of each Puzzle, there is the opportunity for each child to complete an assessment task if appropriate.

13. The Attainment Descriptors

- 13.1 The attainment descriptors are specific to Jigsaw and to year groups. These are designed to give guidance when considering each child's learning journey. They are not nationally recognised. There are no national level descriptors for PSHE.
- 13.2 The Jigsaw philosophy is that children are praised and their achievements celebrated in every Piece. It demands a positive relationship between the teacher and the children which, in itself, values and celebrates each individual. Appropriate time is allocated for this process.

14. Monitoring and evaluation

- 14.1 The PSHE co-ordinator will monitor delivery of the programme through observation and discussion with teaching staff to ensure consistent and coherent curriculum provision.
- 14.2 Evaluation of the programme's effectiveness will be conducted on the basis of:
- Pupil and teacher evaluation of the content and learning processes
 - Staff meetings to review and share experience

15. External contributors

- 15.1 External contributors from the community, e.g. health specialists, school nurses, and community police and fire officers, make a valuable contribution to the Jigsaw PSHE programme.
- 15.2 Their input should be carefully planned and monitored so as to fit into and complement the programme.
- 15.3 School staff will be present during these sessions and remain responsible for the delivery of the Jigsaw PSHE programme.

16. The Learning Environment

- 16.1 Establishing a safe, open and positive learning environment based on trusting relationships between all members of the class, adults and children alike, is vital. To enable this, it is important that 'ground rules' are agreed and owned at the beginning of the year and are reinforced in every Piece – by using The Jigsaw Charter. (Ideally, teachers and children will devise their own Jigsaw Charter at the beginning of the year so that they have ownership of it.) It needs to include the aspects below:

The Jigsaw Charter

- We take turns to speak
- We use kind and positive words
- We listen to each other
- We have the right to pass
- We only use names when giving compliments or when being positive
- We respect each other's privacy (confidentiality)

17. Teaching Sensitive and Controversial Issues

- 17.1 Sensitive and controversial issues are certain to arise in learning from real-life experience. Teachers will be prepared to handle personal issues arising from the work, to deal sensitively with, and to follow up appropriately, disclosures made in a group or individual setting. Issues that we address that are likely to be sensitive and controversial because they have a political, social or personal impact or deal with values and beliefs include: family lifestyles and values, physical and medical issues, financial issues, bullying and bereavement.
- 17.2 Teachers will take all reasonable, practical steps to ensure that, where political or controversial issues are brought to pupils' attention; they are offered a balanced presentation of opposing views. Teachers will adopt strategies that seek to avoid bias on their part and will teach pupils how to recognise bias and evaluate evidence. Teachers will seek to establish a classroom climate in which all pupils are free from any fear of expressing reasonable points of view that contradict those held either by their class teachers or their peers.

18. Answering Difficult Questions and Sensitive Issues

- 18.1 Staff members are aware that views around RSE- and Drug and Alcohol Education-related issues are varied. However, while personal views are respected, all RSE and Drug and Alcohol Education issues are taught without bias using Jigsaw. Topics are presented using a variety of views and beliefs so that pupils are able to form their own, informed opinions but also respect that others have the right to a different opinion.
- 18.2 Both formal and informal RSE and Drug and Alcohol Education arising from pupils' questions are answered according to the age and maturity of the pupil(s) concerned. Questions do not have to be answered directly, and can be addressed individually later. The school believes that individual teachers must use their skill and discretion in this area and refer to the Designated Safeguarding Lead (DSL) if they are concerned.
- 18.3 Our school believes that RSE and Drug and Alcohol Education should meet the needs of all pupils, answer appropriate questions and offer support. In Jigsaw Pieces that cover RSE provision, this should be regardless of their developing sexuality and be able to deal honestly and sensitively with sexual orientation, answer appropriate questions and offer support. Homophobic bullying is dealt with strongly yet sensitively. The school liaises with parents/carers on this issue to reassure them of the content and context.

19. Involving parents and carers

- 19.1 The school believes that it is important to have the support of parents, carers and the wider community for the Jigsaw PSHE programme. Parents and carers are/will be given the opportunity to find out about and discuss the Jigsaw PSHE programme through:
- Information shared via the school website
 - Information leaflets/displays

20. Links to other policies and curriculum areas

20.1 We recognise the clear link between Jigsaw PSHE and the following policies and staff are aware of the need to refer to these policies when appropriate.

- Science curriculum
- Teaching and Learning Policy
- Equal Opportunities Policy
- Child Protection & Safeguarding Policy

21. Dissemination

21.1 This policy is available on our school website where it can be accessed by the community. Copies are available from the school office on request from parents/carers.

22. Confidentiality and Child Protection/Safeguarding Issues

22.1 As a general rule a child's confidentiality is maintained by the teacher or member of staff concerned. If this person believes that the child is at risk or in danger, she/he will talk to the named designated safeguarding lead or deputies who will take action as laid down in the Child Protection & Safeguarding Policy. Any concerns raised through a Jigsaw session should be recorded on the Safeguarding concern sheets and appropriate personal alerted to the incident. All staff members are familiar with the policy and know the identity of the member of staff with responsibility for Child Protection issues. The child concerned will be informed that confidentiality is being breached and reasons why. The child will be supported by the teacher throughout the process.

23. Monitoring

23.1 This policy is reviewed every two years.

Signed

Chair of Governors

Date of review: February 2021

Date of next review: February 2021
