RE : Residential Visit for Y3/4 children in September 2019 (current Y2/3s)

Dear Parents and children

We would like to invite you to a short meeting on Tuesday 29th January at 3.30pm to explain the residential visit for the Y3/4 in September 2019. This meeting will therefore be for children and parents **who are currently in Y2 and Y3**. The meeting will take place in the school hall. Children are most welcome to attend with their parents. However, if they are due to attend a club, please can they continue to do so. The presentation will be shown in the classroom as well as this meeting and they will have lots of opportunity to ask questions to adults who have accompanied children in the past.

During this meeting we will explain the activities that we have planned and why we think it is a wonderful experience for them.

We are again working with H5 Adventure who will organise the residential visit for us and the visit will take place from Wednesday 2nd October to Friday 4th October 2019. We will again be staying at Legge House, near Wroughton.

We will also explain costing and timings etc at the meeting.

I hope to see lots of you there.

Yours Sincerely,

Mrs Carol Talbot
(Head teacher)
