

YOUNG LEADERS

4th September 2018

Dear Parent/Carer

Last year six children engaged in a young leaders programme called 'Play Maker' led by an outreach P.E. teacher from Lavington School. During the sessions they planned, delivered and evaluated activities for the younger children in the school. As well as providing more dynamic and varied play times for the rest of the school, the programme aims to build confidence and self-esteem in the leaders.

We would like to run this qualification again this year. Mr Herring will run the programme on a Wednesday afternoon, for six weeks, during term 1. In addition, we will be sending another group of children for young leader training at Lavington school and young official training, which is aimed at preparing children to officiate games such as netball.

If your child is interested in becoming a young leader or young official, please ask them to fill in the slip at the bottom of this letter and hand it in to their class teacher.

The teachers will take their interest into account, as well as considering which children will benefit the most from each programme.

Thank you

YOUNG LEADERS 2018-19

CHILDS NAME: _____ YEAR GROUP: _____

I would like to be considered for the:

Young leaders programme

Young officials programme

I think I would make a good play leader / official because:

Parent/Guardian Signature: _____ Date: _____
