## Netball News

Mrs P is pleased to welcome new members to her netball club on Wednesday afternoon. This term they have been getting to know each position as in game play, they are required to rotate positions. Shooting has been a big focus as well. The children learn the acronym 'BEEF' which helps them focus on: balance, eyes, elbows and fairy. We will let the children explain the last one to you!

On Wednesday 10<sup>th</sup> October 9 children took part in a participation tournament at Lavington School. They played 5 teams from our cluster, winning every match except one which was to the winners. Well done to Bea, Enid, Tilly, Zoe, Ella, Willow, Jenson, William and Eddie.

We are part of the Devizes High 5 netball league again this year. Our first match for the A team was on the evening of 10<sup>th</sup> October 2018 against Nursteed. Sadly, it was not our day, but the girls played their best and enjoyed the challenge. Unfortunately the game for the B team had to be rescheduled.

## Dauntsey's Hockey Outreach

We are very lucky to receive specialist PE teaching from Dauntsey's school on a weekly basis here at Urchfont. The Owls have been developing their hockey skills this term culminating in a tournament at Dauntsey's School on Saturday 1<sup>st</sup> December 2018.

## Young Leaders

Here they are! The young leaders will begin their training next term.

## Active Maths Week

We held a special maths week at Urchfont during the last week of term. Each class brought their maths lessons to life and included physical activity.
