

If any parents are able to give an hour of their time at the Scarecrow Festival that runs from Saturday 4th May to Monday 6th May it would be much appreciated.

We need ice cream sellers, cake servers, tea makers, BBQ tent helpers and parking experts.

All our children benefit directly from the Scarecrow Festival. The committee have funded the mural in the playground, contributed towards the large boat, have supplied the new toadstool seats and hopefully next year will help us provide seating in the quiet area of the garden. None of this would be possible without their help so if you are able to help them please contact Elaine Greenstreet.

Elaine's details are : elaine@globaltesting.co.uk or ring her on 01380 848706
