

YEAR 5 & 6 SPORTS EVENTS 2019-20

5th September 2019

Dear Parents and Guardians

Listed below are the School Games events that we aim to participate in this year. Most events require a team of 8-10 children and, as a small school, we are often unable to provide the transport or staff to enter more than one team. In order to ensure all children are given the opportunity to compete in at least one competition, please ask your child to list below their first, second and third choice event they wish to participate in.

- FOOTBALL
- NETBALL
- HOCKEY
- TAG RUGBY
- SWIMMING GALA
- OAA (Orienteering) FESTIVAL
- KWIK CRICKET
- ATHLETICS
- QUAD KIDS
- CROSS COUNTRY RUNNING

In addition to the above competitions, there will be events and festivals of sport at Lavington School and the netball teams will be participating in a netball league. Years 5 & 6 will also be receiving P.E. outreach sessions from specialist P.E. teachers from Dautsey's School and Mr Herring throughout the year, so there will be plenty of sport to enjoy!
