

Dear Parent/Guardian,

TAGB TIGER AFTER SCHOOL CLUB

We are excited to be working with Urchfont C of E Primary School and bringing to you a TAGB Tigers Tae Kwon-Do after school Club, starting on Monday 16th September at 3:15pm.

The aim of the after school club is to introduce junior students to the TAGB Tae Kwon-Do syllabus in a fun and easy to follow manner, but instilling from an early age the foundational skills they will need later on, not only in martial arts, but also in their lives. The TAGB Tigers system, which will be taught in the after school club, breaks down the Tae Kwon-Do skills in such a way that it allows the students to see that they are progressing, especially when some students need short term goals to respond to. As motivation, we use belts, they are;

10th Kup – white belt (all beginners start at this level)

10th Kup – white belt with an orange stripe

10th Kup – white belt with a green stripe

10th Kup – white belt with a blue stripe

10th Kup – white belt with a red stripe

Each student will be given a handbook which will contain all the information they need to be able to achieve these belts.

The assessments for these belts will be once a term and will include the students who the instructors think are ready to progress to the next stage. There will be a minimal cost for each assessment which will include the cost of the belt and certificate. The assessments will take place within the after school club and students will be given written slips to inform them and yourselves when this is taking place.

As instructors we are seeing the benefits of the TAGB Tigers system in many schools across the TAGB whereby the students have strong foundational skills, increased confidence, improved co-ordination and are able to focus their minds on tasks asked of them. The feedback from teachers in schools we already have clubs in is very positive with them seeing notable changes within the students that do Tae Kwon-Do within the class environment.

The cost of these lessons will be £4.50 per session but your child/children can come along the first week to check they enjoy it. If you would like to discuss anything further, please contact me on 07817 977169 where we can answer any questions you may have.

Yours Sincerely,

K. Franks
