

Chaffinches News and Dates

Chaffinches have had a great start to the year. There are a few dates coming up that we would like to remind you about.

On Friday afternoons Mrs Coulson is weaving (Term one only) with the class (1.30-2.30), we are doing really well but would love some extra hands to help if any parents are available. We have some lovely wool in school but if you have any odds and ends at home we would welcome donations.

On Friday the 11th October Chaffinches will take part in a DT day. During this day we will be making Roman chariots using our woodworking skills. During the morning (9.30-12.00) we would welcome any parent helpers to help us glue.

On Friday the 18th October Chaffinches will take part in a Roman day. To make our day extra special, we would love your children to come dressed up. Roman costume suggestions are togas and roman soldiers.
