

Dear parents & carers,

Wednesday 27th November Nasal flu vaccinations – Electronic consent procedures

As last year, the Immunisation Team will be offering the Flu vaccination to all Primary aged children. This will take place between October - December 2019 across Wiltshire/BaNES/Swindon and as last year, the consent will need to be completed electronically.

In order to provide electronic consent for your child's Flu vaccination, please access the consent portal via the following link:

<https://schoolimms.virginicare.co.uk/flu/2019/wilts>

We would like to request that consent is provided as soon as possible as the link closes 7 – 14 days prior to the session in school. This link is secure, please carefully select your child's school from the drop down menu and this will ensure that the consent is in the right place. Full details and information to assist you in completing the consent is detailed on the portal including full FA-Q's, patient information and contact details should you wish to speak to a nurse regarding the nasal vaccination.

If your child is medically vulnerable, early clinics will be available please contact the team to book in on 0300 247 0082.

If you have any difficulties or queries with this process please do not hesitate to contact the team on 0300 247 0082.

Many thanks for your cooperation.
