17.03.20

Dear parent / guardian,

We are currently reviewing the situation regarding children in receipt of free school meals in light of the school closing because of coronavirus (Covid-19). It is highly unlikely that we will be able to continue providing a hot school lunch as we anticipate that the kitchen at our provider school will not be able to operate due to access and delivery issues.

Under the government's current Free School Meals initiative it is not necessary for the school to provide a hot school lunch where it is not feasible to do so. As such, we are currently investigating other possibilities should this be necessary but it is likely that this will need to be something similar to the packed lunches that we provide for school trips. Parents will be expected to collect the lunch from either the school or an alternative location within the village, and at a set time, once arrangements have been put into place.

I would be grateful if you could let us know before Thursday if this is something you would like us to consider putting into place for your child.

Yours sincerely

Mrs C. E. Talbot
(Head Teacher)
