- EASTER SCHOOL DISCO

DATES FOR YOUR DIARY

- SATURDAY 4th JULY SUMMER FETE
- FRIDAY 4th DECEMBER Christmas Fayre

USSPA NEWS

USSPA recently had their first meeting after the Christmas break and are very pleased to announce that due to all the support received during the Children's School Performances, Carol's Round the Piano evening, raffle ticket purchases you have managed to raise **£297.80**.

This is fantastic and means that the School has been able to secure the matting Robins and Chaffinches class needed.

Thank you again for your support to the children of these classes.

We are now looking towards purchasing flip boards, new iPads and docking stations for each class.

Your continued support is greatly appreciated.

USSPA AIMS

USSPA acknowledge that it is difficult to concentrate the fundraising on just the parents and carers associated with pupils in the school. It is therefore our aim to look to other sources of income for USSPA by involving the wider community. Whether that be by the children doing sponsored activities or by arranging events for the community to attend. Please see the "Dates for your Diary" as to what plans are afoot.

We always welcome your feedback and ideas for fundraising. The funds we raise will directly help your children.

We are not only looking for monetary support but volunteering your time or communicating ideas are also of huge value to making the association work. Please do help in any way that you can.

USSPA's next committee meeting is Thursday 27th February

NEW CLASS REPRESENTATIVES

USSPA want to ensure communication between you and the committee members is easy and this is why we have introduced the new Class Representatives. Each Class has a Rep for whom you can send feedback, raise questions, volunteer or suggest ideas. We are pleased to introduce the new Class Reps:-

ROBINS - Claire Church

CHAFFINCHES - Bex Devon

WOODPECKERS - Claire Brewer

OWLS - Romarna Corke

Please ensure you are on the Messenger group or provide the relevant Class Rep with your contact details so you do not miss any updates from USSPA.
