Dear Parents,

Thank you for your continued patience with the measures we have introduced due to the building work. We hope to alter the entry and exit points as soon as possible, as I know it's not ideal crossing the field covered in dew.

We have enclosed, with this letter, your child's class Welcome Back to School letter as well as a Topic web. As I stated in my last letter, some of the modifications that we introduced last year have worked really well. As a result, we have decided to continue with children wearing their PE kits to school on their PE days. In each classes' letter, your child's teacher has explained when they have PE and other expectations for their class, including homework.

Over the next few weeks we will upload a "Welcome to each class" presentation onto the school website so that you can refer to this if you have any queries. If you can't find an answer there, then you can contact each class directly using the class email addresses

We will be holding the first set of parent's evenings before half term. We have listened to many comments from parents on the ease of the virtual parent's evenings and have decided to continue with this system. We intend to hold these evenings on Tuesday 5<sup>th</sup> & Wednesday 6<sup>th</sup> October and will send out details of the booking system in a few weeks.

We have always been proud of our open door policy and appreciate that this was hampered over the last year. However, there are staff manning all doors in the morning and afternoon, as well as the playground and/or parents waiting area. Please speak to them if you have a message to be passed on, or a query which we will endeavour to answer. Hopefully, we will have our reception area up and running again very soon.

Yours sincerely,

*C. E. Talbot*
