6th January 2022

Dear Parents,

As part of our preparation for Y6 SATs, which take place during the week beginning the 9th May 2022, we offer a booster after –school club. In these sessions, we revise areas of the curriculum that the children require support with and look at past paper questions, developing techniques for answering questions. In the past, children have found these sessions useful and feel more prepared for the Y6 SATs.

We will be holding these booster classes on two afternoons per week from 3.00pm until 3.45pm. On a Monday, the focus will be English and Mrs Groves will lead this session and on a Thursday, the focus will be Maths and Mrs Talbot will lead.

We hope all children will be able to attend and although we understand that some may need to miss some sessions, we do ask that the children commit to as many sessions as possible if they choose to attend.

Please sign and return the permission form below if your child is able to attend these sessions.

Yours Sincerely

Mrs C Talbot
 (Head Teacher)
